10 1. Settlement: Counsel shall thoroughly discuss the possibility of
11 settlement before undertaking the preparation of the Joint Case Management Report or

15 and shall not include any attached exhibits.

16 However, if any party fails to participate in preparing the Joint Case Management
17 Report, the non-offending party shall detail the party's effort to get the offending party to
18 participate in drafting the report. The non-offending party shall still file the report one (1)
19 full week prior to the case management conference. The offending party may be subject
20 to sanctions, including monetary sanctions to compensate the non-offending party's time
21 and effort incurred in seeking compliance with this order.

22 **C. Contents of Joint Case Management Report**

23 The joint case management report shall include the following information in
24 separately numbered paragraphs as designated below:

25 1. A short statement of the nature of the case (three pages or less),
26 including a description of each claim and defense;

27

28

1 2. The jurisdictional bases for the case, citing specific jurisdictional
2 statutes. If jurisdiction is based on diversity, the citizenship of each party shall be identified
3 and the amount in controversy must be stated;

4 3. Whether any party expects to add additional parties to the case or
5 otherwise amend the pleadings;

6 4. Whether there are any pending motions, including a brief description
7 of those motions;

8 5. Whether this case is related to any other case pending before this
9 court or any other court, including a bankruptcy court, and if so, provide a brief description
10 of the status of those case(s);

11 6. A complete and detailed statement related to discovery, which
12 addresses the following issues:

13 a) The date the Rule 26(f) initial disclosures were provided, or
14 will be provided, by each party;

15 b) A brief statement regarding, what discovery requests have
16 been served by any party, who the requests were served upon, and the due dates for
17 responses to those requests;

18 c) Whether the parties anticipate the need for a protective
19 order relating to the discovery of information relating to a trade secret or other
20 confidential research, development, or commercial information;

21 d) Any issues or proposals relating to the timing, sequencing,
22 phasing, or scheduling of discovery;

23 e) Whether the parties anticipate the need to take discovery
24 outside of the District of Nevada or the United States and, if so, a description of the
25 proposed discovery; and,

28

1 f) A summary of the number of depositions each party
2 anticipates taking, information related to the anticipated location of those depositions,
3 and whether any party anticipates video and/or sound recording of depositions.

4 7. A brief statement regarding the types of ESI expected in the case,
5 where the ESI is located, a statement of any agreements reached by the parties related
6 to ESI on the issues listed above, and any outstanding disagreements between the
7 parties related to ESI.

9 jury trial is contested (if the request is contested, set forth reasons), and an estimated
10 length for trial.

11 9. A statement as to the possibility of settlement and when the parties
12 desire a court sponsored settlement conference, i.e., before further discovery, after
13 discovery, after dispositive motions, etc.

14 10. Whether the parties intend to proceed before the magistrate judge.
15 Presently, when a civil trial is set before the district judges, any criminal trial set that
16 conflicts with the civil trial will take priority, even if the civil trial was set first.
17 Continuances of civil trials under these circumstances may no longer be entertained,
18 absent good cause, but the civil trial may instead trail from day to day or week to week
19 until the completion of either the criminal case or the older civil case. The parties are
20 advised that they are free to withhold consent or decline magistrate jurisdiction without
21 adverse substantive consequences.² and,

22
23
24
25
26 ²A form to be used for consent to proceed before the Magistrate Judge may be
27 found on the Court's website, www.nvd.uscourts.gov/Forms.aspx (AO 85, Notice of
28 Availability of a U.S. Magistrate Judge). Consent forms should NOT be electronically
filed. Upon consent of all parties, counsel are advised to manually file the form with the
Clerk's Office.

11. Whether either party requests bifurcation or phasing of trial or has any other suggestion for shortening or expediting discovery, pre-trial motions or trial.

The parties are reminded that the filing of a dispositive motion does not stay a case in federal court, nor does it excuse the parties with proceeding with their discovery obligations as required by the Local Rules and the Federal Rules of Civil Procedure. Failure to follow the Local Rules and comply with discovery obligations without first obtaining an order from the court either delaying discovery requirements, staying discovery or staying the entire case may result in sanctions.

D. Discovery Plan and Scheduling Order

In advance of the mandatory case management conference, the parties shall file a proposed Discovery Plan and Scheduling Order no later than **TUESDAY, JULY 2, 2024**.

Following the case management conference, the court will issue a discovery plan and scheduling order (DPSO). Once issued, the dates in the DPSO are firm and no extension will be given without permission from the court based on a showing of good cause.

Should counsel fail to appear at the Joint Case Management Conference or fail to comply with the directions as set forth above, an ex parte hearing may be held and contempt sanctions, including monetary sanctions, dismissal, default, or other appropriate judgment, may be imposed and/or ordered.

IT IS SO ORDERED.
